

ANTI - BRIBERY AND CORRUPTION POLICY

We at SHPL Shall adopt anti bribing and anti corruption policy, by adhering to the following

- No employee of the organisation shall receive any form of bribe either in cash or kind.
- No employee of the organisation shall give bribe in cash or kind for accomplishment of any organization related activity.
- No employee of the organisation shall engage him in the corruption activities related to the organisation.
- If any employee is found violating this policy, he/she shall be subjected to disciplinary hearing and appropriate actions would be taken which could include termination of service.
- Awareness on Anti Bribery & Corruption policy is promoted in all employees including contract employees during induction trainings and other forums
